Code: K05-6084

Product Name: CIRRUS IP65 Fire-rated Tilt LED Colour Match Downlight

Description

Cirrus, the versatile tilt LED downlight from VEW, designed to put light exactly where you need it. Its adjustable 180° tilt lets you highlight features, illuminate key areas and bring depth to your interior. With ten bezel finishes to choose from, Cirrus complements both classic and contemporary spaces, while four colour temperatures and dimmable lighting help you create the right atmosphere.
Designed for straightforward installation, Cirrus features a fast-fit connector and selectable power settings to suit your lighting needs. Its IP65 rating and fire-rated design combine practical performance with a coordinated finish, all backed by a five-year warranty. From focused feature lighting to a soft, welcoming glow, Cirrus gives you the flexibility to shape your space.
