Code: M4RL3CCT

Product Name: ALASKA IP65 CCT BULKHEAD

Description

Alaska IP65 CCT bulkhead is a multifunctional bulkhead that allows you to select from three colour temperatures - 3000K, 4000K, and 6500K - providing the perfect lighting for any setting. With switchable wattage options of 12W, 15W, 18W, and 22W, you have full control over energy consumption. Plus, the bulkhead is designed to be impact resistant with an IK10 rating, ensuring durability and longevity. Illuminate your space with confidence and efficiency using the Alaska bulkhead.

Product Details

Product Type:	Bulkhead
Product Description:	• Dimensions: Dia 320mm x 78mm • Rated voltage: 220-240v • Power Output: 12w/15w/18w/22w • Beam Angle: 120° • Impact Resistance: IK10 • Working hours: 50,000hrs • CRI: >80 • Power factor: 0.8 • IP Rating: IP65
Wattage:	Switchable 12w/15w/18w/22w
Finishes:	• White bezel as standard
Colour Temperatures:	• Switchable Warm White 3000k | Natural White 4000k | Cool White 6500k
Lumens:	• 3000k 95 Lumens/w • 4000k 105 Lumens/w • 6500k 100 Lumens/w
Bezels:	• Interchangeable Black Bezel
