Code: M4BF20CCT (4ft Batten)
M5BF40CCT (5ft Batten)
M6BF60CCT (6ft Batten)

Product Name: DUNE CCT BATTEN

Description

Dune CCT Battens is the ideal solution for replacing traditional fluorescent fittings! Available in 4ft (20W), and 5ft (40W) options, these battens offer powerful and energy-efficient lighting. The convenient 20mm gland entry at each end ensures easy installation and a clean look. Upgrade your lighting setup with the Dune CCT Battens for a brighter and more eco-friendly environment.
