

Code: M66HF40.

Product Name: CELESTE HOLLOW CEILING TILE (1 piece)

Description

Celeste Hollow Ceiling Panel Light is a seamless and efficient lighting solution! This complete one-piece fitting is designed to perfectly fit into the ceiling grid, with the ceiling tile inside, creating a sleek and integrated look. Emitting a brilliant 3600 lumens of light, it is an ideal replacement for traditional 4 x 2ft recessed fittings, providing superior brightness and energy efficiency. Upgrade your space with the Celeste Hollow Ceiling Panel Light for a modern and well-lit environment.
