

**Code:** S14-4213.

**Product Name:** RICHMOND 100MM TIMER SHOWER FAN EXTRACTOR KIT

## Description

Improve bathroom ventilation with the 100mm Timer Shower Fan - featuring a compact, low-profile design that delivers high airflow with low noise. Ideal for various installation positions, it's suitable for use with both rigid and flexible ducting. This Part F compliant fan includes two-speed, long-life ball bearing motors, an adjustable run-on timer (2-30 minutes), and a removable central section for easy maintenance. Available in white or chrome and backed by a 5-year guarantee.

## Product Details
