Code: N31-0293

Product Name: EMERALD COLLECTION SHAVER SOCKET COLOUR MATCH RANGE

Description

Bring style and practicality together with our range of VEW shaver sockets, available with or without integrated USB charging. Designed with a sleek, screwless flat-plate finish, they offer a clean, modern look while complementing a wide choice of bathroom fittings and accessories.

Available in 10 colour-matched finishes, these shaver sockets make it easy to create a coordinated look throughout the bathroom. With USB-A and USB-C charging options available, alongside dual-voltage functionality on the non-USB models, they offer a stylish and versatile solution for today's bathroom designs.
