

Code: K01-1037

Product Name: SMART RECESSED LED ALUMINIUM PROFILE

Description

With black, white and aluminium finishes available, the Smart Recessed LED [aluminium profile](#) can be used to illuminate wardrobe and cabinet interiors. The profile can be used to create dotless lighting when it is used with a 9.6w tape. The Smart Recessed LED profile can be made shorter by cutting it (can only be cut up to 2m) or can be butt jointed to make it longer.
