### Installation

#### WIRING

K01-1150

**LED Driver not included**

**IMPORTANT**

- a. Please strictly follow the requirements of this manual when installing.
- b. The light source of this product is a non-replaceable light-emitting diode (LED).
- c. Please do not install the lamp in an environment of high temperature, high humidity, and high dust.
- d. Handle gently to avoid damaging the product.

**MAINTENANCE**

- a. Before cleaning, please ensure that the lamp is not connected to the power supply;
- b. Please wipe gently with a soft cloth regularly to maintain the original surface treatment effect of the product.
- c. Please do not use irritating chemicals which may affect the colour of the product or surface treatment on the product.
